Purpose & Goals

The Friends group is organized and operated exclusively for charitable purposes, which will enable us to help promote excellence in library services by working with the Library Board and staff to support the library, its services, and its programs. To carry out this purpose, the Friends focus will be on fund-raising, awareness, special programs, and volunteer services.

Our goals are:

- To undertake projects to raise needed funds for our library
- To create awareness of the library services and its needs to people in the community
- To create awareness of the Friends group by being visible in the community
